OUTLAWS 1979-80

The season started out poorly, however, with fine senior leadership we were able to win 5 straight games. Early injuries and adversities prevented us from having a very successful season. However, this group of players never quit working to be a successful team.

"THE CONEHEADS"

This year the girl's tennis team won its section for the fourth consecutive year. For the first time in the team's history, it advanced to second round W.P.I.A.L. play by beating Thomas-Jefferson 5-0. We also sent representatives to both the W.P.I.A.L. singles and doubles tournament again this year. The girls have shown that hard work and dedication offer great rewards. Not only did the girls gain valuable experience and lasting friendships, but they had opportunity to be part of a team effort.

1979-80 Golf Team

This was a very rewarding year in our Golf Program. We achieved the best won (11) and lost (2) record in my three years as Golf Coach. We placed 2nd in the Section. We had this year's Section Medalist in Tom Robowski who also went to the W.P.I.A.L. Finals at Green Oaks Country Club.

I would like to wish the best of luck to our Seniors: Captain Joel Hood, Tom Robowski, and Rusty Watson.

The 1979-80 Boys Basketball Season was highlighted by many accomplishments, beginning with the Christmas Tournament Championship which was held at Plum High School in December. John Boal won the Tournament's M.V.P. Trophy and Mark Doppelheuer was chosen to be a member of the All Tournament Team. Other accomplishments of the season included the following:

1. First C'Ville Basketball Team to win 15 away games in one season.
2. First C'Ville Basketball Team to reach the Playoffs in 18 years.
3. First C'Ville Basketball Team in the history of the school to reach the W.P.I.A.L. Class AAA Finals.
4. First C'Ville Basketball Team to ever reach the State P.I.A.A. Playoffs.
5. First C'Ville Basketball Team to ever win more than 20 games in one season.

This fine basketball team was led by a great group of Senior Athletes. They have achieved successes that we hope will become traditions with future Connellsville Basketball Teams. Congratulations to the members of this year's team for a great 23-6 season. I would like to wish our Seniors the best in all they do and to our underclassmen — Continued success.

OVERALL — 17 Wins, 5 Losses

COACHES TOM DOLDE,
AND RICH GALAND

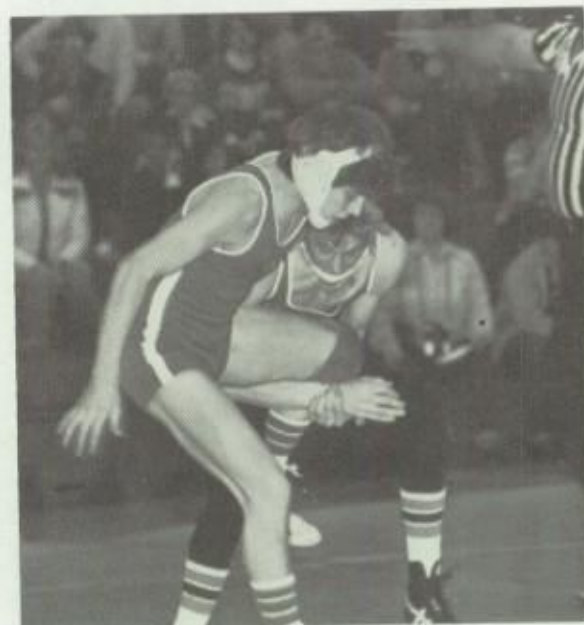

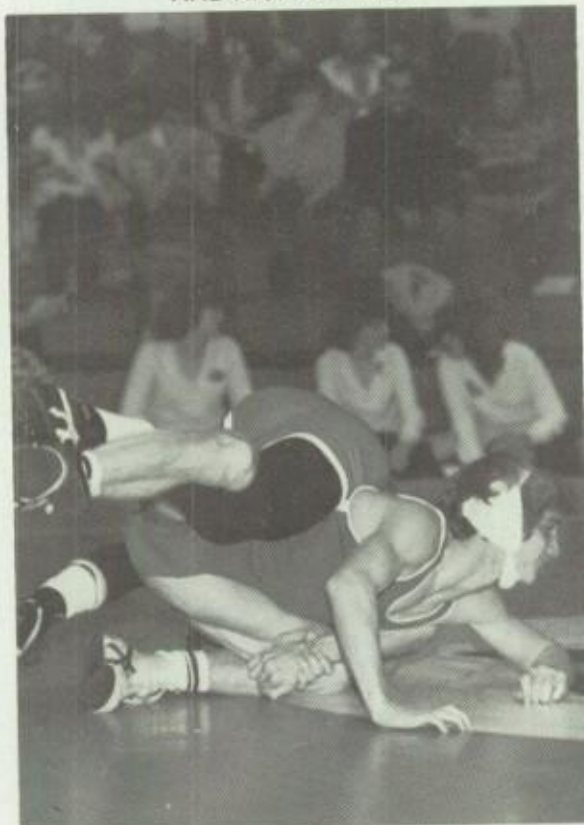

MANAGERS CHERYLAN MILLER
AND PAM McCUE.

It is difficult to express in words the excitement and gratification that this years wrestling team gave to me as a coach. They had, what could be considered the most successful wrestling season ever by a Falcon team.

They kept a winning tradition with a fifth consecutive section championship. However, this team carried the tradition a step further by finishing second in the W.P.I.A.L. team championships. They also achieved 17 dual match victories, three more than any other C.A.H.S. wrestling team had ever won. The Norwin victory reached yet another milestone, being the 100th victory by a Falcon team.

The seniors from the 1979-80 squad should be proud of their accomplishments, and will be remembered by the coaching staff as a hard working, determined group of athletes.

This year's Boy's Track Team may have been one of the best teams Connellsville ever fielded. There were 6 boys to score over 100 points which is a pinnacle that very few track coaches reach. This, however, would have meant little had it not been for the support of the rest of the team. They forged a record of 8 wins and 2 losses. There were 6 boys to qualify for the WPIAL finals, and 2 of them made it to state competition.

The seniors graduating this year will be sorely missed. However, expectations for future state finalists is high for the years to come.

What began with anxious anticipation ended in disappointment and disillusion. The 1980 squad promised to be the best that CAHS had seen; moreover, the best that the section had seen. But, as usual, always the bridesmaid, never the bride.

Our season began at home, with both squads easily disarming Gbg. Salem. Then the Varsity's bubble burst.

Derry Area, in the past, hadn't been a contender, and this season was no different. What their squad proved to be was the "spoiler."

The Junior Varsity match went rather quickly, but with a few anxious moments. Varsity, spirits high, then took the court. Game one — piece of cake — Falcons 15, Derry 6. Then all "Hades" broke loose. Derry quickly recovered and swept the next two games by 15-6 and 15-12.

If one match can break a season, this one did. It then seemed that the varsity lost aggressive desire. Teams that could have been smeared were putting up quite a battle. When this happens, perennial powerhouse Latrobe becomes awesome.

They dealt our ladies two defeats, remained undefeated in games as well as matches thereby capturing first place with CAHS a distant second at 7-3. The JV Squad fared better, losing only to Latrobe. Our record, 9-1, Latrobe JV 8-2. Latrobe's JV lost one to Gbg. Salem, making playoffs unnecessary. Although easily capturing first, Coach McGarrity found it necessary to startle the squad aware on a few occasions.

The Connellsville tennis team turned in another winning season in section play this year as the team finished with a record of 7 wins and 5 losses. This record earned the team a tie for third place in the section. The overall record of the team was 7 wins, 7 losses. The team was very inexperienced this year with only one starter returning from last year's team, and only 3 lettermen returning in all. However with a number of first year players doing a good job, the team turned in a very respectable season.

The Connellsville Falcon Girls' Track team won't have to learn to adapt to the fast pace of a world on the move. This season provided them with all the training they need. With the opening meet at home, they spent the rest of the season traveling, sometimes over 2 hours to their designated battle ground.

The season was highlighted by RECORD BREAKING performances by Debbie Sherrick in the discus and Jill Hartley in the javelin. Debbie was also just inches short of a record in the shot put. The team also showed strength in the distance runs by Candi Murphy and Sue DiBiase as well as the acrobatic feats of Nancy Lycett in the high jump and hurdles. We will also miss the efforts put forth by seniors like Cherylan Miller and Kim Mays. This season we were also honored to be invited to the 1st annual Westmoreland County Girls Track Meet.

The Falcon Softball team was 8-4 this year. They came in 2nd in their Section. Teamwork and aggressiveness brought them to this high position. Not only did they show great teamwork, but also good sportsmanship.

Best wishes to seniors Laura Lynn, Jane Keslar, and Leona Kibe as they pursue adult sports. We only lost 3 seniors with graduation, and with good freshmen and sophomores coming up through the Mini-League, we should be strong next year. Next year the Falcon Softballers hope to do much better and go all the way to win their section.

It was a real pleasure working with these outstanding girls. I wish them the best of luck and much success in the upcoming years.

BASEBALL 1980

The season as accomplishing goals, was nearly a complete success. Our record was outstanding, but our number 1 goal was to win the section, which we didn't accomplish. Our overall record was 22 wins and 5 losses, 13 and 2 exhibition and 9 and 3 league, for a 2nd place finish.

Most valuable player was David Pastors, and Jeff Karfelt and Steve O'Donnell won the Coveted Thomas J. Piasecki Award for athletic and sportsmanship traits.

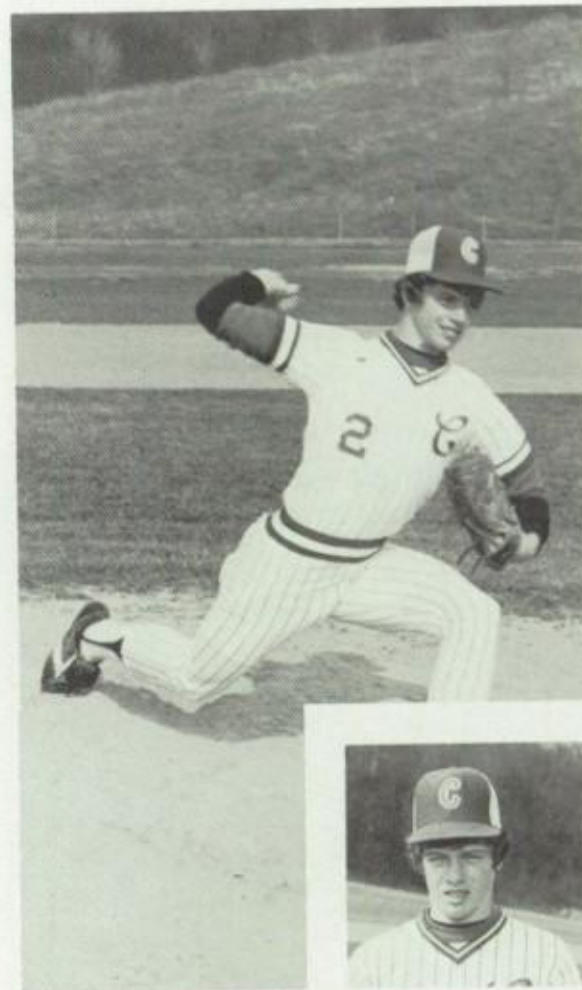

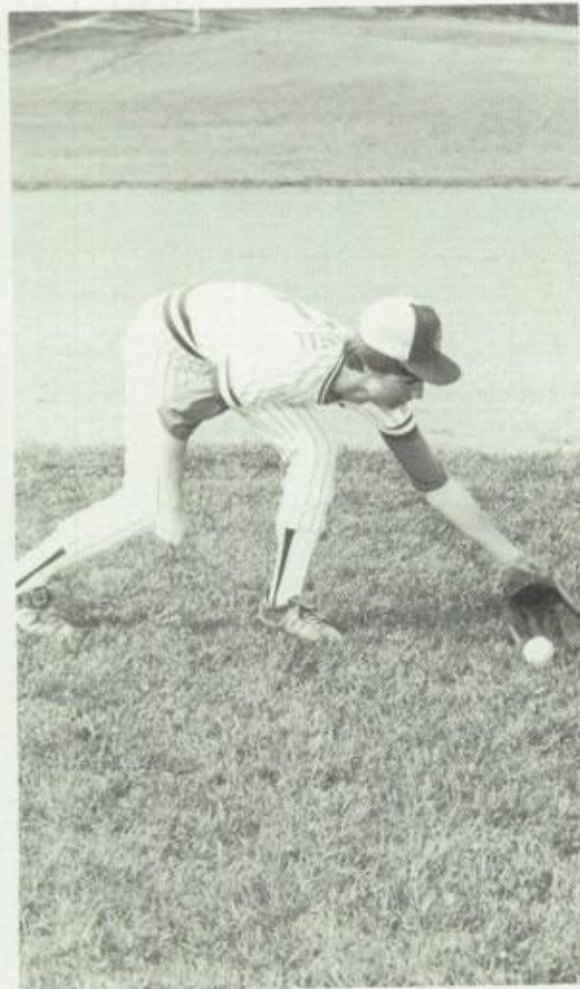

The outlook for next year is questionable even though 8 let-termen will be returning. The outstanding part of the returning players is their attitude and willingness to work.

Homecoming Week

From October 15-19, C.A.H.S. held its annual Homecoming Week. Special days were planned to promote school spirit. These days included Sports Day, Hillbilly Day, Twin Day, 50's Day, and Outlaw and Blue and White Day, respectively. On these days, Fonzies, bobby-soxers, moonshiners, look-alikes, cowboys, and devoted sports fans roamed the halls. On Friday, the Gym came alive. Falcon Fans cheered, clapped, and danced around the floor. The Homecoming Queen, Rosanne Herchko, was crowned. Announced in the court were Becky Sparks, Liz Gismondi, Kelly Eutsey, and Cherylan Miller. Homecoming Week ended with a victorious game against Valley.

The Cinderella

On the day of November 21, did you happen to see girls running around the school pasting, cutting, creating, painting, etc.? These girls were from the Tri-Hi-Y Club at C.A.H.S., and they were busy transforming the high school into a ballroom for the annual Cinderella to be held that evening.

When the castle doors opened at 8 o'clock on that starry night, one could hear "Winds of Change" creating a musical atmosphere. Couples were laughing, discoing, taking pictures, and really having a great time.

During the course of the evening, "Cinderella 79," Erin White, was presented with her tiara and royal cape. Her attendants were Cindy Cebulak, Susan McLaughlin, Tina Hensel, and Joanne Mancuso, respectively.

When the clock struck 12 o'clock, all the Cinderellas of the evening tip-toed into their homes. While they slept each one dreamt of their own prince charming and of the special evening they had had.

Marching Band

In August, after two grueling, sweating, and tiresome weeks, Falcon Musicians were transformed into a sharp-looking, proud and entertaining marching unit. During halftime at football games this year, the fans were entertained by this big, bold, high-stepping C.A.H.S. Marching Band. This fantastic group of marchers is under the direction of Jim Meyers, who is assisted by Gayle Kubelick. The band also attended two festivals, these being at Hempfield and Mount Lebanon in which they represented our school with pride and dignity.

YOU GIVE THE ANSWER

By Fred L. Brooks, Jr.

Getting to be a well-liked teacher is no easy matter. If we require large assignment of home work, they say we are cruel. If we don't, they say we are soft and easy. If we try to instill aesthetic values into them, we are called erratic. If we don't, we do not know how to teach. If we drill in grammar, "boring" is the word they use. If we don't, we do not teach thoroughly enough. If we let our hair down in the classroom, we are not acting like a teacher should. If we don't, we are hard, dry, and almost inhuman; When we look up a word in the dictionary, we should not — for — We should know all the words, and every meaning, also. We ask Johnny to recite, but he just forgot — that very very minute. We ask for a short story and the next day, the answer — "I wasn't in the mood to create." When we don't smile, "Why don't you smile some time?" If we do — "What are you smiling at?" We try, we try — we have studied for years, but that teenager is far "smarter" than we. We repeat: "Getting to be a well-liked teacher is no easy matter. You give the answer."

Hail our high school in the vale,
Lead us on to wisdom's height;
None but thee can ever thrill,
All honor to the blue and white;
To Alma Mater in her might,
Sing her praises loud and strong;
Our truest and our best we pledge,
Our minds and hearts to thee belong.
